### **Information to CPA Exam Candidates Regarding NTS and Credit Extensions**

Upon notification of Prometric testing sites closing now through April 16, 2020, the Board's Education & Examination Committee has approved the following actions regarding extending NTS and exam credit:

- **NTS Extensions** – NTS's expiring from April 1 – June 30, 2020 will be extended through September 30, 2020.
- **Exam Credit Extensions** – Candidates with an open NTS and exam credit expiring through June 30, 2020, can have their credit extended an extra 90 days if they are impacted by circumstances beyond their control.

If you think you are impacted by NTS and/or exam credit expiration, there is no need to contact CPAES as they will automatically extend your NTS or contact the Board's Education & Examination Committee for permission on your behalf regarding credit extension. Credit extensions will be handled on a case-by-case basis.

If you have an existing appointment with Prometric, you will receive email instructions on how to reschedule your appointment to a future date once it is safe to resume testing. No rescheduling fees will be applied.

If you have any questions or concerns, please reach out to the Board office at 402-471-3595 or [kristen.vanwinkle@nebraska.gov](mailto:kristen.vanwinkle@nebraska.gov).
